

THE NATURAL RESOURCES CONSERVATION
AUTHORITY ACT

ORDER
(under section 33)

THE NATURAL RESOURCES CONSERVATION (NEGRIL ENVIRONMENTAL
PROTECTION AREA) (DECLARATION) ORDER, 1997

(Made by the Minister on the 28th day of November, 1997, on the
recommendation of the Authority)

L.N. 131/97

1. This Order may be cited as the Natural Resources Conservation
(Negril Environmental Protection Area) (Declaration) Order, 1997.

2. The area set out in Part I of the Schedule which is delineated on
the map set out in Part II thereof, is hereby declared to be an environ-
mental protection area and shall be known as the Negril Environmental
Protection Area.

Schedule.

SCHEDULE

(Paragraph 2)

PART I. *Area of Negril Environmental Protection Area*

Commencing at the mouth of the Davis River along its course to a point where the Green Island to Lucea main road meets the Davis Cove to Lucea secondary road; then south-easterly along that secondary road to where it meets the Spring Mountain Parish Council road No. 29; then south-westerly to the point where the Parish Council road No. 29 crosses the Look Out River; then south-westerly to a point where a track meets the northern boundary of the Spring Mount Property; then southerly along that track to where it meets a Parish Council road; then along that Parish Council road to where it meets the Prospect to Paradise secondary road about 60.3 metres from the Community Hall; then easterly along the Prospect to Paradise secondary road to where it meets Parish Council road No. 22, about 100.5 metres from the Pell River School; then north-easterly along the Grange Hill to Pell River Parish Council road No. 22 to where it meets the Spring Valley to Mountain Parish Council road No. 29 at Spring Mountain; then south-easterly along Parish Council road No. 29 to its junction with Parish Council road No. 51 at Hog River Bridge; then south-easterly along Parish Council road No. 51 to where it crosses a tributary of the Hog River approximately 5 metres east of the private road leading to the Paradise Great House; then south-easterly along that tributary to its source in Peddy's Place; then south-westerly in a straight line to the north-western corner of the Glasgow Property boundary; then southerly to a point where the western boundary of the Glasgow Property intersects with the Glasgow to Green Island secondary road at the Baptist Church; then south-
