OUR PLANET 'CONSUME WITH CARE'

A Fi We Planet

Mek we tek care

If we mash it up

We have no space to share

For we all have to conserve our resources there is no spare

We need to proteck de environment

Stop chop down de trees and burn bush and waste

Recycle an sort yu garbage,

Lawd!!!!

Stop use the plastic an pollute de place, look at our beaches

Der ar disgrace

Fossil fuel naw las fe ever

And look how it damage de ozone layer.

Climate change is now the range

Every ting gone to the Extreme

Very hot, Very cold

Lawd

save wi soul, mek w save wi planet

A fi we planet, mek we tek care
